## Home spas

*The following is a sampling of products in the home spa market*

**Mr.Steam** offers its Spa Package. It includes the steam generator, Aromasteam system, 70-watt in-shower speakers, Chromasteam system and wall-mounted steam/shower seat. For more info circle #4

The **Jacuzzi Sedona Steam Seat** features a SteamPro generator built into the pre-assembled fiberglass box seat. It is designed to be installed and covered with tile or surface material. For more info circle #7

**Baltic Leisure** saunas can include upgrades such as water fountains, fiber-optic lighting, built-in bookcases, contoured benching, entertainment centers and more. Saunas can be any size or shape for indoor or outdoor applications. For more info circle #5

**Finnleo Sauna and Steam** partners with Finnish designer Esa Vapaavuori to create the Finnleo-Deco Sauna interior system. Bench layout can be customized to fit the desires of end users and can be changed to match daily use. For more info circle #8

**Lasco Bathware** offers a steam option package to its shower modules. It includes a one-touch electronic control panel, chromatherapy lights and a teak floor insert. For more info circle #10

**American Standard** introduces its new series of Evolution whirlpools. It includes jets that are flush against the tub and an overflow drain design. For more info circle #6

The **CU800 Sauna** from **Cal Heat** includes aspen wood vertical paneling, full-length door with acrylic window, two acrylic windows, two-level seating with three benches and vapor-proof lighting. It features a 17-in. LCD TV, DVD/CD player and stereo. For more info circle #9
